Drupal: how to make a new page

1. Click the **Create Content** button

The screenshot shows the AMIEU - Federal Office website. The header includes the AMIEU logo and the text 'AMIEU - Federal Office Australasian Meat Industry Employees Union'. Below the header is a navigation menu with links for Home, About AMIEU, Branches, Resources, News, Links, and Logout. A search bar is located on the left. The main content area features a map of Australia with the text 'Click on your state for your Branch'. Below the map is a 'test' section with a red arrow pointing to the 'Create content' link in the 'My account' menu. The text '1. Click Create content' is written next to the arrow. The footer contains the text 'website by farnham street neighbourhood learning centre'.

2. Click the **Page** button

The screenshot shows the AMIEU - Federal Office website with the 'Create content' menu expanded. The 'Page' option is highlighted with a red arrow, and the text '2. Click the Page' is written next to it. The 'Create content' menu includes options for Event, Page, Poll, Web Links, and Webform. The 'Event' section explains that events have a start date and an optional end date. The 'Page' section explains that a page is a simple method for creating and displaying information that rarely changes. The 'Poll' section explains that a poll is a question with a set of possible responses. The 'Web Links' section explains that it creates a new web link. The 'Webform' section explains that it creates a new form or questionnaire accessible to users. The footer contains the text 'website by farnham street neighbourhood learning centre'.
